Our scene-stealing flagship is an India Pale Ale that has become a byword for craft beer rebellion; synonymous with the insurgency against mass-produced, lowest common denominator beer. Punk IPA charges the barricades to fly its colours from the ramparts – full-on, full-flavour; at full-throttle. Layered with new world hops to create an explosion of tropical fruit and an all-out riot of grapefruit, pineapple and lychee before a spiky bitter finish, this is transatlantic fusion running at the fences of lost empires.

5AM IS CLARITY CONDENSED INTO A SINGLE MOMENT. EVERYTHING LAID OUT BEFORE YOU IS STATIC, BUT NOTHING IS SET. THE ROAD RUNS STRAIGHT INTO THE SHIMMERING DISTANCE.

It's time to take that ride. 5AM Saint is five malts at 5% ABV. Out of this order and stability comes the rush of the pack. Berry and caramel riding alongside marmalade and chocolate. Spice and toast jostle with lychee and biscuit.

The needle flicks to all points of the compass. It drives you towards the horizon, towards the vanishing point. And it keeps going...

JACK HAMMER

ABV: 7.2%

Style: Double IPA

OG: 1069

IBUs: 200+ theoretical IBUs

Malts: Extra Pale

Hops: Centennial & Columbus, dry hopped with Citra, Amarillo and Simcoe

PRESS THE BUTTON. IT'S IRRESISTIBLY SITTING THERE, WAITING. DON'T HESITATE. HAMMER IT. Start with a colossal grapefruit aroma. Pile on bitterness after thumping bitterness, and ride the anarchy wherever it takes you. The caramel razor is sharp, but the resinous bite drills straight through your taste buds.

For blitzing the mediocre, raising hell and revelling in the aftermath, Jack Hammer is the end of the line. The hopped-up, pucker-mouthed terminal extreme of craft brewing. This beer is bitter. Very bitter. If you push that button, don't say we didn't warn you...

ZEITGEIST

ABV: 7.2%

Style: Black Lager

OG: 1069

IBUs: 200+ theoretical IBUs

Malts: Extra Pale

Hops: Centennial & Columbus, dry hopped with Citra, Amarillo and Simcoe

Our idiosyncratic black lager is a spin on the ancient German and Czech tradition of brewing pilsners with a twist of dark malts. This extra dimension of chocolate, coffee and smoke in our light and biscuity brew is counterbalanced with a zesty twist of Cascade hops, bringing together old world and new, and invoking the passage of winter to spring.

TOKYO*

ABV: 16.5%

IBU: 90

OG: 1140

Style: Stout / Porter

The irony of existentialism, the parody of being and the inherent contradictions of post-modernism, all so delicately conveyed by the blocky, pixelated arcade action have all been painstakingly recreated in this bottle's contents.

This imperial stout is brewed with copious amounts of speciality malts, jasmine and cranberries.

After fermentation we then dry-hop this killer stout with a bucketload of our favourite hops before carefully ageing the beer on French toasted oak chips.

It is all about moderation. Everything in moderation, including moderation itself. What logically follows is that you must, from time to time, have excess. This beer is for those times.

AB24

ABV: 12%

IBU: 50

Style: Stout / Porter

Malts: Wheat, Sugar, Coffee, Yeast, Barley, Water, Hops

Our Abstrakt series showcases one-off beers, brewed or blended to the peak of our abilities. Each release is unique and only brewed once!

Lovely now or for drinking with friends far into the future, this elaborate one-off brew will be satisfying no matter what the occasion.

KARMA CLOUD

ABV: 6.5%

Style: Tropical Hazy IPA

IBUs: 50

Malts: Pale, Cara

Hops: Centennial, Magnum, Citra and Simcoe

For international markets as part of the 2018 Dog Dealers Club, Karma Cloud is tropical IPA, designed to cram as much fruit flavour in as possible, using only hops to recreate those flavours.

Loads of up front fruit punch character; mango, peach, papaya, pineapple and more. Hints of lime and pine dust provide complexity. The palate is full-on and intensely juicy, softened with notes of melon and fresh cut grass. Unfiltered, this IPA retains all of the delicate hop oils which recreate the tropical fruit flavours.

CHOCO LIBRE

ABV: 8.2%

IBU: 25

Style: Stout / Porter

Ingredients: Flaked Oats, Wheat, Cocoa Nibs, Chili, Coffee, Vanilla, Cinnamon

This one-off brew showcases the flavours of a Mexican spiced hot chocolate, infused in an imperial stout. One of the most complex stouts we have ever brewed (which is saying something) Choco Libre is colossal and comes ready to roll. Our tip? Don't fight – make peace with it instead.

Expect a wallop of milk chocolate, vanilla, fruity coffee, and cinnamon, with an undercurrent of dark malt roastiness. This beer is rich and full-bodied, with a warmth of chilies.

Sombrero sold separately.

AB22

ABV: 12.5%

Style: Stout / Porter

Ingredients: water, barley, wheat, hops, cacao, coffee, yeast.

The first 2017 release in our boundary-pushing release of one-off Abstrakt beers is here!

An imperial stout brewed with cacao and coffee, AB:22 has spent two years in darkness, drawing complex and indulgent flavour from the Speyside whisky casks in which it has resided: chocolate ganache, cold-brew coffee, vanilla pods, molasses, chocolate-covered raisin, fudge sundae, espresso martini, toasted coconut... this is one of our most intense and decadent barrel aged stouts, ever.

AB23

ABV: 11.5%

Style: Barley Wine / Barley Wine Style

Our Abstrakt series showcases one-off beers, brewed or blended to the peak of our abilities. Each release is unique and only brewed once!

AB:23 is a bourbon-barrel aged barley wine, with flavours of stewed orange, blackcurrant, cranberry, and Turkish delight, and malt notes of honey, fruitcake, raisin, sherry, and toffee.

MAKE EARTH GREAT AGAIN

ABV: 7.5%

Hops: Amarillo, Mandarina Bavaria

IBU: 35

Malts: Pilsner, Wheat

Style: Belgian Style Ale

Ingredients: water, barley, wheat, glacier water, cloudberry, sugar, hops, yeast.

In protest against the potential withdrawal of the USA from the Paris agreement, we've brewed a saison (which ferments at high temperatures) with melted ice caps (glacier water) and cloudberry (an Arctic berry).

Make Earth Great Again is a imperial strength saison, with spicy and bright citrus notes of spiced orange, nutmeg, clove, and caramelised banana, with a dry yet warming body and a hint of acidity to balance the sweet notes.

All proceeds from Make Earth Great Again will be donated to 10:10, a charity lobbying for legislative changes to tackle climate change.

COCOA PSYCHO

ABV: 10%

IBU: 85

OG: 1069

Style: Stout / Porter

Ingredients: water, barley, hops, yeast.

Welcome to the world of Cocoa Psycho, a liquid dimension where pure indulgence reigns.

Originally brewed some 250 years ago to celebrate the Russian Royal Family, this 10% Imperial Russian stout borrows from the decadence of the time with its extravagantly smooth blend of crushed coffee beans, cocoa nibs and dark malts.

But continue to dig a little deeper, past the infusions of vanilla pods and toasted oak chips, and eventually you'll come face-to-face with the madness required to make this beer; a kind of insanity that would have made Rasputin himself proud.

To fully unleash the aromas and bittersweet luxury of this stout, we recommend drinking it from a stemmed beer glass before taking a sledgehammer to a Faberge Egg.

INDIE PALE ALE

NATIVE SON

ABV: 8.5%

Hops: Centennial, Chinook, Citra, Columbus, Mosaic, Simcoe

IBU: 70

Malts: Crystal, Pale

Style: IPA

Ingredients: water, barley, hops, yeast.

Our latest Amplified beer, Native Son is now in our core range and is now fully available.

The brainchild of our Head of Production Jason Pond, and one of his first two recipes after joining the good ship BrewDog, it is one of the truest representations of a classic American IPA that we've brewed to date.

Dry-hopped with Citra, Mosaic, Simcoe and Centennial, it has a superb combination of tropical and citrus fruit, with huge fresh grassy notes, and a big savoury smack of dank hop. Native Son clocks in at double IPA strength, but has effortless drinkability, with crystal malt providing light complexity and a shred of sweetness – no big chewy toffee notes. Bittered with Columbus and Chinook, there's a driving bassline of pine; both sticky resin and cut wood – a building presence that melds beautifully with the green hop notes.

LIBERTINE BLACK ALE

Style Black IPA
Malts Extra Pale, Caramalts, Crystal 150
Hops Simcoe, Cascade, Mosaic
OG 1068
ABV 7.20%

Libertine Black Ale is a great black IPA. Roasted malts, caramel and plain chocolate notes are lifted by citrus, pine and blackcurrant then rounded off with a lingering bitterness; whether you're in the mood for big IPA hops or deep dark malts, Libertine has it all.

SMALL BATCH SAISON

Style Saison
Malts Pale, Wheat
Hops Magnum
Adj Peach and Apricot

Juicy peach and tropical pineapple and mango notes, combined with hints of spicy clove and pear – this session strength saison punches way above its weight.
